(B) Fund Selection

I have reviewed material describing the investment characteristics and goals of the various funds available. I elect to have my Employee Deferral Contributions and Employer Contributions invested among the funds in the percentages listed below.

Note: Your investment allocations must add up to 100% in each column and your investment selections must be in whole percentages. The minimum percentage is 5% per fund. If you wish to change the investment of your current account balance, please fill in the column titled "Existing Balance". Please fill in the column titled "Future Contributions" to indicate where you wish future contributions to be invested.

As a reminder, you decide how you'd like to invest. If you change your mind, it's easy to change the way your account is invested by filling out this investment selection form. Additional copies of this form may be obtained by contacting the GEMGroup Pension Department at 1-800-242-8923. You can also change to a different investment by calling the Voice Response System at 1-888-760-0101 or www.gemgrouppl.com. **Remember**, Each investment fund has different risks and returns. No one can promise how your investments will perform. Read over your fact sheets carefully to make the right decision for you.

In addition, if you need assistance determining which investment options are right for you based on your investment goals and objectives, you may contact Karen McCloskey of NorthStar Retirement Advisors for assistance she can be reached at 215-278-4050.

(C) Authorization: You may amend or revoke your selection at any time by completing another Selection Form or by calling the Voice Response System at 1-888-760-0101 or www.gemgrouppl.com. If the Fund receives no direction on how to invest your account, your account will be invested in the appropriate age based Vanguard Target Retirement Fund listed above. The determination in which Target Retirement Fund your account will be invested is based on your date of birth and the expected years until you reach retirement age (age sixty-five). For a complete description of Benefits, see the Summary Plan Description (SPD) or call the Fund. You must **sign and date the form** in order for your designation to be accepted by the Fund
