

# IF YOU NEED TO TAKE A TABE TEST

To take a TABE test, contact any Authorized Administrator of the TABE Test. Many Community Colleges offer the TABE test through their Adult Education program office.

You must **be specific** about the level and portions of the test you need to take. Ask for:  
**TABE 10 complete battery level A Mathematics (not locator or survey version)**  
**(Both the Math Computation and Applied Math portions)**

**In N.Y.C. you can take the TABE test at the following location :**

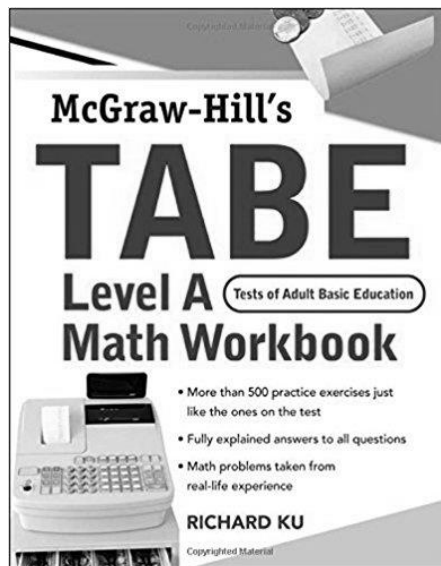

**HARLEM CENTER FOR EDUCATION**

**1 East 104th Street, New York, NY 10029      (212) 348-9200**

## STUDY GUIDE WORKBOOK

The **TABE Level A Math Workbook** by McGraw-Hill is an excellent study guide for the test which can be purchased on-line. **Students should carefully read the INTRODUCTION before they begin to use the book to study for the TABE test.**

**About this title:** This book is the perfect prep for students getting ready for the Test of Adult Basic Education (Level A Math). McGraw-Hill is the only publisher offering official guides to the Test of Adult Basic Education (TABE). This TABE workbook helps you get ready for this all-important qualifying exam used by numerous government agencies and private employers. This workbook helps you to master high-school mathematics with practice in the essential math areas you'll find on the test: core computational skills, geometry, decimals, fractions, and much more.
