**Re: Patient Protection and Affordable Care Act Information (MES Helper)**

Dear Plan Member:

**We are providing you and your family with this Welfare Fund announcement letter to provide you with notices required under the Patient Protection and Affordable Care Act and to inform you of benefit changes effective January 1, 2011.**

### I. Notices

#### A. Special Enrollment for Children Under Age 26

If you have a child who is under age 26 (whether married or unmarried), including a child currently receiving continuation coverage under COBRA, that child may be eligible to enroll in the Plan as of January 1, 2011. This special enrollment opportunity applies to:

- Children between the ages of 18 and 23 that are **currently** enrolled in the Plan;
- Children who were not previously eligible to enroll in the Plan;
- Children who were previously denied coverage under the Plan; and
- Children whose coverage under the Plan already ended.

*Please note: These children will not be eligible for coverage if they are eligible for any employment-based coverage other than the plan of a parent or step-parent. This limitation will be in effect until December 31, 2013.*

The Plan covers natural children, step children, adopted children and children placed for adoption. The Plan will continue to cover disabled children under the current Plan's provisions. Please see your Summary Plan Description (SPD) for information on coverage for disabled children.

You must request special enrollment on behalf of your child and return a completed enrollment form no later than December 20, 2010. If you request special enrollment by that date, coverage will be effective on January 1, 2011.

**If enrollment materials are not received by December 20, 2010, you will not be able to enroll your dependent child except as allowed under the HIPAA Special Enrollment rules. You may still enroll your dependent child late during the 2011 open enrollment period. However, coverage will be effective January 1, 2012.**

If you wish to request special enrollment for your dependent child, please complete the attached enrollment form and return it to the Fund Office by December 20, 2010. For more information, contact the Fund Office Welfare Department at (718) 835-2700.

B. Lifetime Limits No Longer Apply

**The \$1 million per person lifetime limit on the dollar value of benefits under Plumbers Local Union No. 1 Welfare Fund no longer applies.**

The \$20,000 lifetime limit per family for fertility drugs no longer applies.

Individuals whose coverage ended by reason of reaching the \$1 million lifetime limit under the Plan are eligible to re-enroll in the Plan. Individuals have 30 days from the date of this notice to request enrollment. For more information, contact the Fund Administrator at (718) 835-2700.

C. Notice of Grandfathered Health Plan

The Plumbers Local Union No. 1 Welfare Fund believes this is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Plan Administrator at (718) 835-2700. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform). This website has a table summarizing which protections do and do not apply to grandfathered health plans.

**If you have received this notice by email, you are responsible for providing a copy of this notice to your family members who are participants in this plan.**

## II. Plan Changes Effective January 1, 2011

A. Definition of Dependent

The Plan covers natural children, step children, adopted children and children placed for adoption up to the end of the month in which the child turns age 26. Children who are eligible for other employment-based coverage other than the plan of a parent or step-parent are not eligible for enrollment. This limitation is in effect until December 31, 2013.

B. Removal of Lifetime Limits

The \$1 million per person lifetime limit on the dollar value of benefits under Plumbers Local Union No. 1 Welfare Fund no longer applies. Also, the \$20,000 lifetime limit per family for fertility drugs no longer applies.

## C. Prescription Drug Benefits

**Change in HRA Reimbursement Rules for Over the Counter Medications** - The Plumbers Local Union No. 1 Welfare Fund's Health Reimbursement Arrangement (HRA) will no longer continue to cover over the counter (OTC) medications without a prescription effective January 1, 2011.

Please note that for purchases made through **December 31, 2010** you will not need to submit a prescription for over the counter (OTC) medication with your claim for reimbursement from your HRA account. However, you must submit these reimbursement claims within 18 months from the date of purchase for the claim to be considered.

**EXAMPLE 1:** On December 16, 2010, you purchase Prilosec OTC. You may submit a claim for reimbursement within 18 months from December 16, 2010 by including the receipt of purchase on your claim form.

However, **effective January 1, 2011**, you must submit a prescription from your doctor for any over the counter (OTC) medications you purchase in order to be eligible for reimbursement from your HRA account. Once again, please remember that any HRA reimbursement claims must be submitted within 18 months of the date of purchase of the medication for the claim to be considered.

**EXAMPLE 2:** You ask your doctor for a prescription for Prilosec OTC and he/she fills out a prescription for you. On January 16, 2011, you purchase Prilosec OTC. You may submit your claim for reimbursement up to 18 months from January 16, 2011, but you must attach the doctor's prescription for the Prilosec OTC and the receipt of purchase on your claim form.

As always, if you have any questions regarding these benefit modifications, please contact the Fund Office.

Sincerely,  
Plumbers Local Union No. 1 Welfare Fund
